

Donate by check

How should your donation be used?

Complete the form below to guide how this donation is applied. Donations are made to **The Village Project** and distributed through **Guildara to eligible programs and families** based on the conditions specified in this letter. If multiple conditions are selected, **all** must be met for the donation to apply.

Organization receiving the donation

- Complete this section if you want your donation to support activities offered by a specific extracurricular provider operating on Guildara.com. **Only one organization may be selected.**
- If left blank, your donation may be used for scholarship-approved activities offered by any organization on Guildara.

Preferred location

- Complete this section if you want your donation to support activities in a specific target metro where Guildara operates (Minneapolis, Chippewa Valley, or Miami). **Only one location may be selected.**
- If left blank, your donation may be used for scholarship-approved activities in any location.

Categories

- Complete this section if you want your donation to support specific categories of activities, such as: Art, Sports/ Games, Dance, Nature/Outdoors, Music, Math/Technology, Culinary, Theater/Comedy, Science, Building, Career/Mentoring, Wellness, Spirituality/Religion.
- If left blank, our donation may be used for scholarship-approved activities on any category.

Labels

- Complete this section if you want your donation to support activities with a specific label (for example, baseball, ballet). We will apply the condition **only if a matching label exists in our system.**
- If left blank, your donation may be used for scholarship-approved activities with any label.

Activities

- Complete this section if you want your donation to support a specific activity.
- The activity must be published on Guildara.com, and approved for scholarships.
- If left blank, your donation may be used for any scholarship-approved activity.

Other preferences

- ☐ I allow the selected organization to adjust the criteria selected to support activities with higher demand.
